Help for a working VA

Sourcing VA Resources

1. To find more websites:

Tactical Arbitrage link <https://tacticalarbitrage.com/arbitrage-sites/>

2. To help search with Keepa: tighten search results through categories, or brand, or number of reviews. Give our Gravity course [link HERE](#)

3. Go to TopCashBack: search: brand, product category: get less known and unusual websites and discounts they have.

4. Tell the client: Give VA your old deal sheets or ASINS, sop VA can go through them and find similar products(no more than 30)

5. Tell client: Sit on the video call and source showing how you do it, or your old VA does the same once per week for 20 minutes.

6. VA: Register with shops newsletters. Spend EVERY DAY 20 minutes reading those

7. VA: Check Hotdeals.uk for discounts with DIY or electronics.

8. VA: Check that you don't repeat deals by checking in Amazon seller central, or old deal sheets, or get our sheet that goes RED when same deal is found.

9. SOURCINGVA: watch [Sourcing Seminar](#) video. On the Gravity website.

10. SOURCINGVA: Explain to them how to [build the confidence!](#)

11. Book extra help with our experienced teachers. Booking link is on resource page.

12. Keep in touch with your new client every day! Be free for surprise meetings!

13. Find our all coupons and savings websites they use, and use them all the time. www.trolley.com is very helpful and can make a difference between good and bad deal! This can save you loads of time sourcing. www.completesavings.com
